Honorable William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

- 25X1 [] Regarding your letter on the designation of a new NIO/W, I fully agree with you as to the importance of the position and necessity of appointing the best available person.
- 25X1 [] Having reviewed DIA's assigned personnel, there is no one presently available who has the extensive experience which I deem necessary to function in this demanding position.
- 25X1 [] Two relatively recent retirees Admiral Dick Robertson and MG Richard Larkin would be ideally suited for the position if they were available. Both individuals have extensive intelligence and managerial backgrounds and have been deeply involved in the DoD I&W System as it has evolved.
